

- ✓ Your Class 12 Boards become easy
  - ✓ You finish major 12th syllabus first
  - ✓ You start JEE Main preparation from 12th topics → then 11th topics
  - ✓ No stress, no overloading, everything scientifically spaced
  - ✓ Daily plan stays same (Physics + Chem + Math + Questions + Revision)
- 

### ✅ NEW STRATEGY: "12th-First, 11th-Second JEE Plan"

This plan ensures:

- You score **strong Class 12 board marks**
- JEE becomes **super easy** because 12th syllabus has **70% of high-weightage chapters**
- After boards, we use remaining time to cover **11th + full revision + mocks**

Let's update everything:

---

### ★ UPDATED 6-MONTH ROADMAP (Optimized for Class 12 Boards + JEE)

---

#### 📅 MONTH 1 – FULL CLASS 12 BASICS (JEE + BOARD STRONG)

Physics (12th):

- Electrostatics
- Current Electricity

Chemistry (12th):

- Solid State
- Solutions
- Electrochemistry

Math (12th):

- Relations & Functions
- Inverse Trigonometry
- Matrices
- Determinants

This month builds your **board base + JEE scoring topics**.

---

#### 📅 MONTH 2 – HIGH-WEIGHTAGE CLASS 12 CHAPTERS

Physics:

- Magnetism
- EMI & AC

Chemistry:

- Chemical Kinetics
- Surface Chemistry
- p-block

Math:

- Continuity
- Differentiability
- Application of Derivatives

These chapters appear in **almost every JEE paper** and boards.

---

### MONTH 3 – COMPLETING CLASS 12 SYLLABUS

Physics:

- Dual Nature
- Atoms & Nuclei
- Semiconductor Electronics

Chemistry:

- d & f block
- Coordination Compounds
- Haloalkanes / Alcohols

Math:

- Integration
- Differential Equations
- Vector + 3D

This finishes entire Class 12.

After Month 3 → Your **board exam prep = 90% done**.

---

### MONTH 4 – CLASS 11 JEE FOUNDATIONS (AFTER YOU ARE CONFIDENT IN BOARD)

Physics:

- Units & Dimensions
- Kinematics
- Newton's Laws
- Work, Power, Energy

Chemistry:

- Mole Concept
- Atomic Structure
- Periodic Table
- Chemical Bonding

Math:

- Sets, Functions (11th part)

- Quadratic Equations
  - Trigonometry
- 

### **MONTH 5 – COMPLETE REMAINING CLASS 11**

Physics:

- Rotation
- Gravitation
- SHM
- Waves

Chemistry:

- GOC + Organic Basics
- Hydrocarbons
- Thermodynamics
- Equilibrium

Math:

- Sequence & Series
- Permutation/Combination
- Coordinate Geometry

After Month 5 → **JEE Full Syllabus completed (12th + 11th)**

---

### **MONTH 6 – MOCK TESTS + REVISION + BOOST**

- Revise full syllabus
  - 20 full mock tests
  - 10 previous-year JEE papers
  - Fix weak areas
  - Formula revision notebooks
  - Organic short notes
  - 11th + 12th revision
  - Daily 30 min mini tests
- 

### ★ **WEEKLY STRUCTURE (SAME BUT NOW 12th PRIORITY)**

Mon–Wed → New 12th topics

Thu–Fri → Practice + revision + 11th touch

Saturday → Mixed Test

Sunday → Full revision (board + jee)

---

### ★ **DAILY STRUCTURE (Boards + JEE Compatibility)**

40 min Physics (12th chapter)

40 min Chemistry (12th chapter)

40 min Math (12th chapter)  
30 min written revision  
30 min JEE + Board mixed MCQ test

Keeps both preparations in sync.

---

### ★ REVISION SYSTEM (For You — weak memory friendly)

- ✓ 10-minute immediate review
- ✓ 24-hour review
- ✓ 7-day review
- ✓ 1-month review
- ✓ Weekly short tests
- ✓ Daily notebook updating

This keeps everything strong in your brain **even if you forget fast.**

---

### ★ DAILY QUESTIONS SYSTEM

I will automatically give:

- ✓ JEE MCQs
  - ✓ Board-style short questions
  - ✓ NCERT-based conceptual ones
  - ✓ Past topics revision
  - ✓ Difficulty increasing slowly
- 

### ★ WHAT YOU WILL GET EVERY DAY (unchanged)

- Day X Plan
  - Topic tricks
  - Fast-solving coaching methods
  - Daily formula notebook update
  - Daily organic reactions notebook update
  - Daily mixed questions
  - Daily revision
  - Weak topic boosting
  - Weekly test
  - Monthly mock
-

### MORNING:

➡ “Start Day X plan.”

### NIGHT:

➡ “Day X completed, give questions review.”

### ANYTIME:

➡ “Give me Notebook 1 / 2 / 3 / 4 / all.”

### 📖 ABOUT THE 4 NOTEBOOKS

Yes — I will update **all four notebooks automatically every day**:

📖 **Notebook 1 — Maths Formulas (10/day)**

📖 **Notebook 2 — Physics Formulas (10/day)**

📖 **Notebook 3 — Organic Chemistry Reactions + Notes**

📖 **Notebook 4 — General Concept Formulas**

These notebooks grow every day like your personal coaching material.
